

Results:

Login into Admin Page:

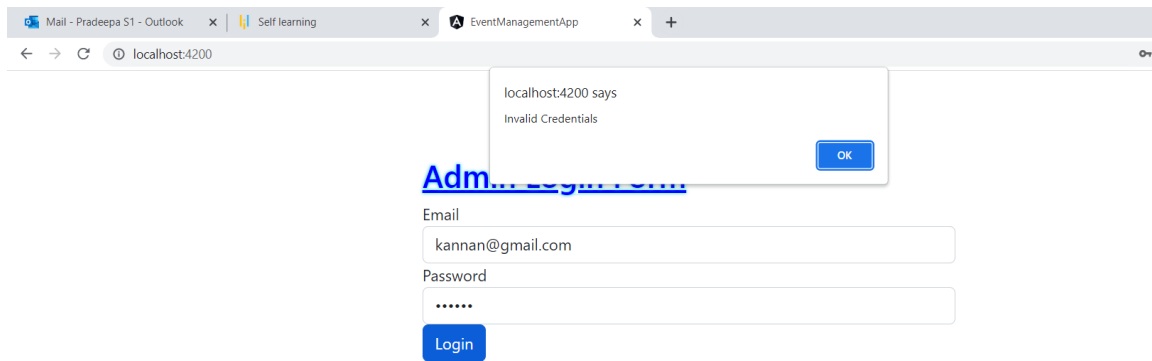

A screenshot of a web browser showing the 'EventManagementApp' interface. The browser's address bar displays 'localhost:4200'. The page features a title 'EventManagementApp' and a link to the 'Admin Login Form'. Below the link, there is a form with two input fields: 'Email' containing 'kannan@gmail.com' and 'Password' containing six dots. A blue 'Login' button is positioned at the bottom of the form.

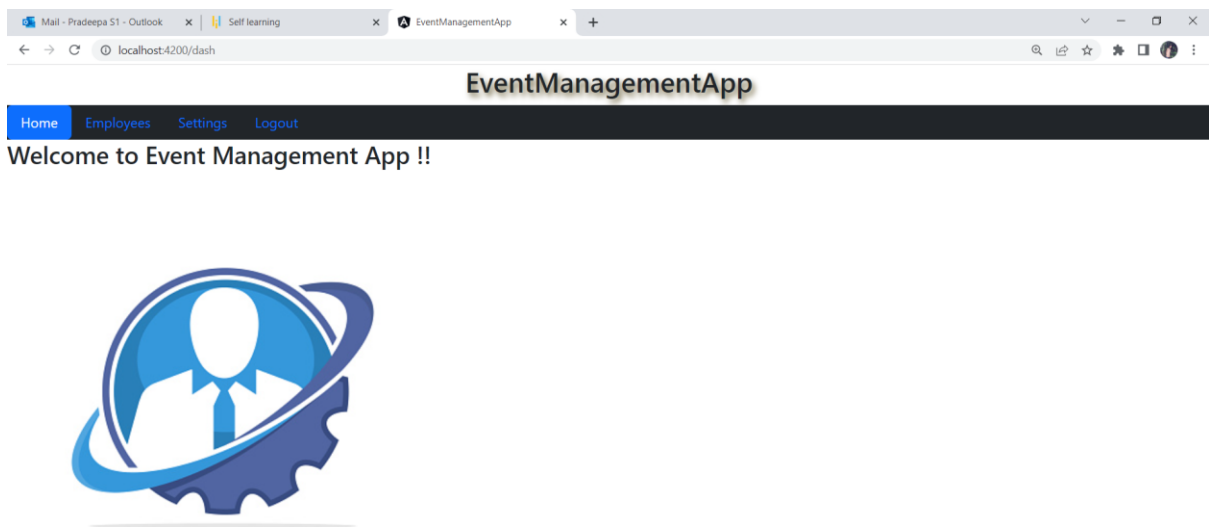

A screenshot of the same web browser showing the 'EventManagementApp' interface after a successful login. A modal dialog box is displayed in the center of the screen with the text 'localhost:4200 says Login success' and an 'OK' button. The background form, including the 'Admin Login Form' link, email and password fields, and the 'Login' button, remains visible but is partially obscured by the dialog box.

When invalid credentials entered,

HomePage:

List employees are shown below, moreover admin can add or delete employee as well as update the existing employees.

Add Employee
